

AMENDMENT TO PULASKI TOWNSHIP ORDINANCE NO. 28

“MEDICAL MARIHUANA FACILITIES LICENSING AND REGULATIONS”

AN ORDINANCE OF PULASKI TOWNSHIP, JACKSON COUNTY, MICHIGAN, TO ESTABLISH LAND USE AND ZONING REQUIREMENTS; TO PROTECT THE PUBLIC HEALTH, SAFETY, AND WELFARE OF PULASKI TOWNSHIP; TO SET LICENSING FEES FOR THE PURPOSE OF DEFRAYING THE COSTS ASSOCIATED WITH THE IMPLEMENTATION AND ENFORCEMENT OF THE PROVISIONS OF THE CHAPTER AND TO PROVIDE PENALTIES FOR VIOLATIONS OF THE CHAPTER.

PULASKI TOWNSHIP ORDAINS:

SECTION ONE:

- Section 1 Legislative Intent.
- Section 2 Definitions, Interpretation and Conflicts.
- Section 3 Operation without License Prohibited.
- Section 4 License Application Submission.
- Section 5 License Application Evaluation.
- Section 6 Licenses Generally.
- Section 7 Minimum Operational Standards of Provisioning Center.
- Section 8 Minimum Operational Standards of Grower Facility.
- Section 9 Minimum Operational Standards of Safety Compliance Facility.
- Section 10 Minimum Operational Standards of Processor Facility.
- Section 11 Location of Grower Facility, Safety Compliance Facility, Processor Facility, and Secure Transporter.
- Section 12 Location of Provisioning Centers.
- Section 13 Denial and Revocation.
- Section 14 Penalties.

SECTION 1. LEGISLATIVE INTENT.

The purpose of this Chapter is to exercise the police regulatory and land use powers of Pulaski Township by licensing and regulating Provisioning Centers, Grower Facilities, Safety Compliance Facilities, Processor Facilities and Secure Transporter to the extent permissible under State of Michigan and federal laws and regulations and to

protect the public health, safety and welfare of the residents of Pulaski Township; and as such, this Chapter constitutes a public purpose.

The Township finds that the activities described in this Chapter are significantly connected to the public health, safety, security and welfare of its citizens and it is therefore necessary to regulate and enforce safety, security, fire, policing, health and sanitation practices related to such activities and also to provide a method to defray administrative costs incurred by such regulation and enforcement.

It is not the intent of this Chapter to diminish, abrogate or restrict the protections for medical use of Marihuana found in the Michigan Medical Marihuana Act or the Medical Marihuana Facilities Licensing Act.

SECTION 2. DEFINITIONS, INTERPRETATION AND CONFLICTS.

For the purposes of this Chapter:

- (A) Any term defined by the Michigan Medical Marihuana Act, 2008 IL 1, MCL 333.26421 et seq., as amended (“MMMA”) or the Medical Marihuana Facilities Licensing Act, 2016 PA 281, shall have the definition given in the MMMA, as amended, or the Medical Marihuana Facilities Licensing Act, as amended. If the definition of a word or phrase set forth in this Chapter conflicts with the definition in the MMMA or the Medical Marihuana Facilities Licensing Act, or if a term is not defined but is defined in the MMMA or the Medical Marihuana Facilities Licensing Act, then the definition in the MMMA or the Medical Marihuana Facilities Licensing Act shall apply.
- (B) Any term defined by 21 USC 860(E) referenced in this Chapter shall have the definition given by 21 USC 860(E).
- (C) This Ordinance shall not limit an individual’s or entity’s rights under the MMMA or the Medical Marihuana Facilities Licensing Act. The MMMA and the Medical Marihuana Facilities Licensing Act supersede this Ordinance where there is a conflict between them.
- (D) All activities related to Marihuana, including those related to a Provisioning Center, a Grower Facility, Secure Transporter, Processor Facility or a Safety Compliance Facility, shall be in compliance with the rules of the Medical Marihuana Licensing Board, the Michigan Department of Licensing and Regulatory Affairs or any successor agency, the rules and regulations of Pulaski Township, and the MMMA and the Medical Marihuana Facilities Licensing Act.

(E) Any use which purports to have engaged in the cultivation or processing of Marihuana into a usable form, or the distribution of Marihuana, or the testing of Marihuana either prior to or after enactment of this Chapter but without obtaining the required licensing set forth in this Chapter, shall be deemed to not be a legally established use and therefore not entitled to legal nonconforming status under the provisions of this Chapter and/or state law. The Township finds and determines that it has not heretofore authorized or licensed the existence of any Medical Marihuana Facility, as defined herein, in the Township.

(F) The following terms shall have the definitions given:

“Chapter” means this Chapter.

“Township” means Pulaski Township, Michigan.

“Board” or “Board of Trustees” means the Board of Trustees of Pulaski Township, Michigan.

“Enclosed Locked Facility” means a closet, room, or other comparable, stationary, and fully enclosure, equipped with secured locks or other functioning security devices. Marihuana Plants grown outdoors are considered to be in an Enclosed Locked Facility if they are not visible to the unaided eye from an adjacent property when viewed by an individual at ground level or from a permanent structure and are grown within a stationary structure that is enclosed on all sides, except for the base, by chain-link fencing, wooden slats, or similar material that prevents access by the general public and that is anchored, attached, or affixed to the ground and as defined in the MMMA.

“Grower” or “Grower Facility” means a commercial entity that cultivated, dries, trims or cures and packages Marihuana for sale to a Processor or Provisioning Center.

“License Application” refers to the requirements and procedures set forth in Sections 4 and 5.

“Marihuana Plant(s)” means any plant of the species Cannabis Sativa L.

“Marihuana” means that term as defined in section 7106 of the Public Health Code, 1978 PA 368, MCL 333.7106.

“Medical Marihuana Facility(ies)” means any facility, establishment and/or center that is required to be licensed under this Chapter, including a Provisioning Center, Grower, Processor, Safety Compliance Facility, and Secure Transporter.

“Ordinance” means the Ordinance adopting this Chapter.

“Person” means an individual, corporation, limited liability Company, partnership, limited partnership, limited liability partnership, limited liability limited partnership, trust, or other legal entity.

“Processor” or “Processor Facility” means a commercial entity that purchases Marihuana from a Grower and that extracts resin from the Marihuana or creates a Marihuana-infused product for sale and transfer in packaged form to a Provisioning Center.

“Provisioning Center” means a commercial entity that purchases Marihuana from a Grower or Processor and sells, supplies, or provides Marihuana to registered qualifying patients, directly or through the patients’ registered primary caregivers. Provisioning Center includes any commercial property where Marihuana is sold at retail to registered qualifying patients or registered primary caregivers. A noncommercial location used by a primary caregiver to assist a qualifying patient connected to the caregiver through the department’s Marihuana registration process in accordance with the MMMA is not a Provisioning Center for the purposes of this Ordinance.

“Restricted/Limited Access Area” means a building, room or other area under the control of the licensee with access governed by the MMMA or other applicable state law.

“Safety Compliance Facility” means a commercial entity that receives Marihuana from a Medical Marihuana Facility or registered primary caregiver, tests it for contaminants and for tetrahydrocannabinol and other cannabinoids, returns the test results, and may return the Marihuana to the Medical Marihuana Facility.

“Secure Transporter” means a commercial entity that stores Marihuana and transports Marihuana between Medical Marihuana Facilities for a fee.

“Stakeholder” means with respect to a trust, the beneficiaries, with respect to a limited liability company, the managers or members, with respect to a corporation, whether profit or non-profit, the officers, directors, or shareholders, and with respect to a partnership or limited liability partnership, the partners, both general and limited.

“State” means the State of Michigan.

- (G) Any term defined by the MMMA or the Medical Marihuana Facilities Licensing Act and not defined in this Chapter shall have the definition given in the MMMA or the Medical Marihuana Facilities Licensing Act.

SECTION 3. LICENSE ALLOCATION AND ANNUAL FEES.

- (A) No Person shall operate a Provisioning Center, Grower Facility, Processor Facility, Secure Transporter, or Safety Compliance Facility in Pulaski Township without first obtaining a license to do so from the Township Clerk and the State of Michigan. The Township Clerk, after approval from the Board of Trustees, shall issue no more than one (1) Provisioning Center license, seven (7) Class A Grower licenses, seven (7) Class B Grower Licenses, unlimited number of Class C Grower Licenses, two (2) Safety Compliance licenses, seven (7) Processor Facility licenses, and two (2) Secure Transporter licenses.
- (B) The non-refundable application fee for a Medical Marihuana Facility license shall be \$5,000.00 and may be changed by resolution of the Township.
- (C) The non-refundable renewal fee for a Medical Marijuana Facility license shall be \$2,500 and may be changed by resolution of the Township

SECTION 4. LICENSE APPLICATIONS SUBMISSION.

- (A) Application for each Medical Marihuana Facility license required by this Chapter shall be made in writing to the Township, and must be approved by the Board of Trustees, and approved by the State of Michigan, prior to commencing operation. Upon the expiration of an existing license, a license will be automatically renewed by Pulaski Township for one (1) year if: (1) there are no uncured administrative violations in the prior year; (2) the applicant has paid the annual licensing fee for the renewal period; (3) any Stakeholder changes have been fully disclosed to Pulaski Township; and (4) the applicant has paid and received the renewal of its state license. For the stacking of Class C Grower licenses, the applicant shall only need to file the Township Application coversheet, the application fee(s), and a statement of any and all changes to the original application.
- (B) An application for a Medical Marihuana Facility license required by this Chapter shall contain the following:
 - 1. The appropriate non-refundable application fee per Section 3. (B);
 - 2. If the applicant is an individual, the applicant's name, date of birth, physical address, copy of government issued photo identification, email address, and one or more phone numbers, including emergency contact information;
 - 3. If the applicant is not an individual, the names, dates of birth, physical addresses, copy of government issued photo identification, email addresses,

and one or more phone numbers of each Stakeholder/shareholder/member of the applicant, including designation of the highest ranking Stakeholder/shareholder/member as an emergency contact person and contact information for the emergency contact person, articles of incorporation, assumed name registration documents, Internal Revenue Service SS-4 EIN confirmation letter, and a copy of the operating agreement of the applicant, if a limited liability company, a copy of the partnership agreement, if a partnership, or a copy of the by-laws or shareholder agreement, if a corporation or;

4. The name and address of the proposed Medical Marihuana Facility and any additional contact information deemed necessary by the Township Designated Township Official;
5. For the applicant, for each Stakeholder of the applicant, an affirmation under oath as to whether they are at least eighteen (18) years of age and have never been indicted for, charged with, arrested for, or convicted of, pled guilty or nolo contendere to, forfeited bail concerning, or had expunged any criminal offense under the laws of any jurisdiction, either felony or controlled substance related misdemeanor not including traffic violations, regardless of whether the offense has been expunged, pardoned, reversed on appeal or otherwise, including the date, name and location of the court, arresting agency, and prosecuting agency, the case caption, the docket number, the offense, the disposition, and the location and length of incarceration;
6. Before hiring a prospective agent or employee of the applicant, and after, the holder of a license shall conduct a background check of the prospective employee. If the background check indicated a pending charge or conviction within the past ten (10) years for a controlled substance related felony, the applicant shall not hire the prospective employee or agent without written permission from the Township Designated Township Official;
7. A signed release authorizing the Pulaski Township to perform a criminal background check to ascertain whether the applicant, each Stakeholder of the applicant, each managerial employee and employee of the applicant meet the criteria set forth in this Ordinance;
8. The name, date of birth, physical address, copy of photo identification, and email address for any managerial employee or employee of the Medical Marihuana Facility, if other than applicant;
9. An affirmation under oath as to whether the applicant has ever applied for or has been granted any commercial license or certificate issued by a

licensing authority in Michigan or any other jurisdiction that has been denied, restricted, suspended, revoked, or not renewed and a statement describing the facts and circumstances concerning the application, denial, restriction, suspension, revocation, or nonrenewal, including the licensing authority, the date each action was taken, and the reason for each action;

10. One of the following: (a) proof of ownership of the entire premises wherein the Medical Marihuana Facility is to be operated; or (b) written consent from the property owner for use of the premises in a manner requiring licensure under this Chapter along with a copy of the lease for the premises;
11. Proof of an adequate premise liability and casualty insurance policy in the amount not exceeding the requirements addressed in the Medical Marihuana Facilities Licensing Act or applicable state laws, covering the Medical Marihuana Facility and naming the Township as an additional insured party, available for the payment of any damages arising out of an act or omission of the applicant or its stakeholders, agents, employees or subcontractors;
12. A description of the security plan for the Medical Marihuana Facility, including, but not limited to, any lighting alarms, barriers, recording/monitoring devices and/or security guard arrangements proposed for the facility and premises. The security plan must contain the specification details of each piece of security equipment;
13. A floor plan of the Medical Marihuana Facility, as well as a scale diagram illustrating the property upon which the Medical Marihuana Facility is to be operated, including all available parking spaces, and specifying which parking spaces, if any, are handicapped accessible;
14. An affidavit that neither the applicant nor any Stakeholder of the applicant is in default to the Township. Specifically, that the applicant or Stakeholder of the applicant has not failed to pay any property taxes, special assessments, fines, fee or other financial obligations to the Township;
15. An affidavit that the transfer of Marihuana to and from Medical Marihuana Facilities shall be in compliance with the MMMA and the Medical Marihuana Facilities Licensing Act or other applicable state laws;

21. A facility sanitation plan to protect against any Marihuana being ingested by any person or animal, indicating how the waste will be stored and disposed of, and how any Marihuana will be rendered unusable upon disposal. Disposal by on-site burning or introduction in the sewerage system is prohibited;
22. (1) An applicant shall disclose the sources and total amount of capitalization to operate and maintain a proposed marihuana facility.
(2) The total amounts of capitalization based on the type of marihuana facility specified in the application for a state operating license are as follows:
 - (a) Grower: Class A - \$150,000.00.
 - (b) Grower: Class B - \$300,000.00.
 - (c) Grower: Class C - \$500,000.00.
 - (d) Processor: \$300,000.00.
 - (e) Provisioning Center: \$300,000.00.
 - (f) Secure Transporter: \$200,000.00.
 - (g) Safety Compliance Facility: \$200,000.00.
- (3) An applicant shall provide proof to the department of the capitalization amounts in subrule (2) of this rule from sources as follows:
 - (a) Not less than 25% is in liquid assets to cover the initial expenses of operating and maintaining the proposed marihuana facility as specified in the application. For purposes of this subdivision liquid assets include assets easily convertible to cash, including, but not limited to, cash, CDs, 401(k), stocks and bonds, and marihuana inventory that meet the all the following conditions:
 - (i) The marihuana inventory is possessed by an applicant who is a registered qualifying patient or registered primary caregiver or by an applicant who

applies for a state operating license and possesses marihuana inventory in compliance with the Michigan medical marihuana act.

(ii) No more than 15 ounces of usable marihuana or 72 marihuana plants may be utilized as marihuana inventory in this subdivision or utilized towards the capitalization requirement under this subrule.

(b) Proof of the remaining capitalization to cover the initial expenses of operating and maintaining the proposed marihuana facility may include but is not limited to additional liquid assets as described in subdivision (a) of this subrule or equity in real property, supplies, equipment, fixtures or any other nonliquid asset.

(4) The applicant shall provide proof that there is no lien or encumbrance on the asset provided as a source of capitalization.

(5) The capitalization amounts and sources must be validated by CPA-attested financial statements. The applicant shall disclose any of the capitalization sources that are foreign and a foreign CPA or its equivalent shall attest to the validation and a domestic CPA shall attest that foreign validation.

23. As it related to a Grower Facility, the following additional items shall be requested:

- i. A Grower Plan that includes at a minimum a description of the Grower methods to be used, including plans for the growing mediums, treatments and/or additives;
- ii. A production testing plan that includes at a minimum a description of how and when samples for laboratory testing by a state approved Safety Compliance Facility will be selected, what type of testing will be required, and how the test results will be used;
- iii. An affidavit that all operations will be conducted in conformance with the MMMA, the Medical Marihuana Facilities Licensing Act or other applicable state laws and such operations shall not be cultivated on the premises at any one time more than the permitted number of Marihuana Plants per the Michigan Medical Marihuana Act, as amended, and the Medical Marihuana Facilities Licensing Act;
- iv. A chemical and pesticide storage plan that states the names of pesticides to be used in Growers and where and how pesticides and chemicals will be stored in the facility, along with a plan for the disposal of unused pesticides;

- v. All Growers must be performed within an Enclosed Locked Facility which may include indoors or in an enclosed greenhouse.
- (C) Upon receipt of a completed Medical Marijuana Facility application meeting the requirements of this Chapter and confirmation that the number of existing licenses does not exceed the maximum number established by resolution pursuant to Section 3. (A), the Township Designated Official or Clerk shall refer a copy of the application to each of the following for their review and approval: the Township Attorney or his designee, the Building Safety Office or similar Township department, the Zoning Administrator or similar Township official, and the Township Treasurer or their designee. Once applications are verified by each department to be sufficiently complete and comprehensive, and no sooner, the Township Designated Township Official shall forward the applications to the Board of Trustees.
- (D) No application shall be approved unless:
1. The Fire Department or designee and the Building Safety Office or similar Township department, have inspected the plans of the proposed location for compliance with all laws for which they are charged with enforcement;
 2. The applicant, each Stakeholder of the applicant, and the managerial employees and employees of the applicant, have passed a criminal background check conducted by the local law enforcement;
 3. The Zoning Administrator, or similar Township official, has confirmed that the proposed location complies with the Zoning Code;
 4. The Township Treasurer or their designee has confirmed that the applicant and each Stakeholder of the applicant are not in default to the Township;
 5. The Township Attorney or his designee has completed a detailed review of the Medical Marijuana Facility application for compliance with the applicable state laws and Township Ordinances.
 6. The Township Supervisor or his designee has completed a detailed review of the Medical Marijuana Facility application for compliance with the applicable state laws and Township Ordinances.
- (E) If written approval is given by each individual or department identified in Subsection (a)-(e), the Township Designated Township Official shall submit the application to the Board of Trustees for the issuing of a license to the applicant.

All licenses issued are contingent upon the State of Michigan issuing a license for the operation under state law.

- (F) Licensees shall report any other change in the information required by Subsection (b) to the Township Designated Township Official within ten (10) days of the change. Fees shall be set by Board Resolution for any Stakeholder added after the original Application is filed.

SECTION 5. LICENSE APPLICATIONS EVALUATION.

- (A) The Board of Trustees will assess all applications.
- (B) In its application deliberations, the Board of Trustees shall assess each application in each of the following categories:
 1. The applicant's experience in operating other similarly licensed businesses.
 2. The applicant's general business management experience.
 3. The applicant's general business reputation.
 4. The integrity, moral character, and reputation; personal and business probity; financial ability and experience; and responsibility or means to operate or maintain a Medical Marihuana Facility of the applicant.
 5. The financial ability of the applicant to purchase and maintain adequate liability and casualty insurance.
 6. The sources and total amount of the applicant's capitalization to operate and maintain the proposed Medical Marihuana Facility.
 7. Whether the applicant has been indicted for, charged with, arrested for, or convicted of, pled guilty or nolo contendere to, forfeited bail concerning, or had expunged any relevant criminal offense under the laws of any jurisdiction, either felony or misdemeanor, not including traffic violation, regardless of whether the offense has been expunged, pardoned, or reversed as appealed or otherwise.
 8. Past convictions of the applicant involving any of the following, but limited to:
 - i. gambling;

- ii. prostitution;
 - iii. weapons;
 - iv. violence;
 - v. tax evasion;
 - vi. fraudulent activity; and
 - vii. serious moral turpitude.
 - viii. Felony Drug Convictions
9. A felony or misdemeanor of such a nature that it may impair the ability of the applicant to operate a licensed business in a safe and competent manner;
 10. Whether the applicant has filed, or had filed against it, a proceeding for bankruptcy within the past seven (7) years;
 11. Whether the applicant has been served with a complaint or other notice filed with any public body regarding payment of any tax required under federal, state or local law that has been delinquent for one (1) or more years;
 12. Whether the applicant has a history of noncompliance with any regulatory requirements in this State or any other jurisdiction;
 13. As it related to operation of a Provisioning Center, the applicant's type of service and product that will be offered and the overall theme and atmosphere of the proposed Provisioning Center.
- (C) The Board of Trustees shall assess each application with aforementioned categories Section 5. (B)(1) through (13) and issue a license to the applicant most qualified and meets the most categories in this section.
- (I) The Township shall accept applications for authorization to operate a medical marihuana facility within the Township. Application shall be made on a Township form and must be submitted to the Township Designated Township Official and/or other designee of the Township Board (hereinafter referred to as "Designated Township Official"). Once the Designated Township Official receives a complete application including the initial annual medical marihuana facility fee, the application shall be time and date stamped. Complete applications shall be considered for authorization in consecutive time and date stamped order. Upon consideration, if the facility type authorization is available within the number specified above, then the applicant shall receive conditional authorization to operate such medical marihuana facility within the Township. Once the limit on the number of an authorized facility is conditionally reached, then any additional complete applications shall be held in consecutive time and date stamped order for

future conditional authorization. Any applicant waiting for future conditional authorization may withdraw their submission by written notice to the Designated Township Official at any time.

- (2) Within 30 days from conditional authorization from the Township, the conditionally authorized applicant must submit proof to the Designated Township Official that the applicant has applied for prequalification from the state for a state operating license or has submitted full application for such license. If the applicant fails to submit such proof, then such conditional authorization shall be canceled by the Designated Township Official and the conditional authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (1) herein.
- (3) If a conditionally authorized applicant is denied prequalification for a state operating license or is denied on full application for a state operating license, then such conditional authorization will be canceled by the Designated Township Official and the conditional authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (1) herein.
- (4) A conditionally authorized applicant shall receive full authorization from the Township to operate the medical marihuana facility within the Township upon the applicant providing to the Designated Township Official proof that the applicant has received a state operating license for the medical marihuana facility in the Township and the applicant has met all other requirements of this ordinance for operation including but not limited to any zoning approval for the location of the facility within the Township.
- (5) If a conditionally authorized applicant fails to obtain full authorization from the Township within one year from the date of conditional authorization, then such conditional authorization shall be canceled by the Designated Township Official and the conditional authorization shall be available to the next applicant in consecutive time and date stamped order as provided for in Section III (1) herein. The Township Board shall have authority to extend the deadline to obtain full authorization for up to an additional six months on written request of the applicant, within thirty days prior to cancellation, upon the reasonable discretion of the Township Board finding good cause for the extension.

SECTION 6. LICENSES GENERALLY.

- (A) To the extent permissible, all information submitted in conjunction with an application for a license or license renewal required by this Chapter is confidential and exempt from disclosure under the Michigan Freedom of

Information Act, 1976 PA 442, MCL 15.231 et seq. Furthermore, no personal information concerning the applicant shall be submitted to the Board of Trustees.

- (B) Licensees may transfer a license issued under this Chapter to a different location upon receiving written approval from the Township Designated Township Official. In order to request approval to transfer a license location, the licensee must make a written request to the Township Designated Township Official indicating the current license location and the proposed license location. Upon receiving the written request, the Township Designated Township Official shall refer a copy of the written request to each of the following for approval: local law enforcement, the Building Safety Office or similar Township department, the Zoning Administrator or other Township official, the Township Treasurer or its designee, and the Board of Trustees. No license transfer shall be approved unless each such individual or department gives written approval that the licensee and the proposed license location meet the standards identified in this Ordinance.
- (C) Licensees may transfer a license issued under this Chapter to a different individual or entity upon receiving written approval by the Township Designated Township Official. In order to request approval to transfer a license to a different individual or entity, the licensee must make a written request to the Township Designated Township Official, indicating the current licensee and the proposed licensee. Upon receiving the written request, the Township Designated Township Official shall consider the request as a new application for a license and the procedures set forth in this Ordinance and the Act shall be followed.
- (D) Licensees shall report any other change in the information required by this Chapter to the Township Designated Township Official within ten (10) business days of the change. Failure to do so may result in suspension or revocation of the license.
- (E) Each year, any pending applications for renewal or amendment of existing permits shall be reviewed and granted or denied before applications for new permits are considered.

SECTION 7. MINIMUM OPERATIONAL STANDARDS OF PROVISIONING CENTERS.

The following minimum standards for a Provisioning Center shall apply.

- (A) No Provisioning Center shall be open between the hours of 11:00 p.m. and 7:00 a.m.

- (B) Consumption of Marihuana shall be prohibited on the premises of a Provisioning Center and a sign shall be posted on the premises of each Provisioning Center indicating that consumption is prohibited on the premises.
- (C) Provisioning Centers shall continuously monitor the entire premises on which they are operated with surveillance systems that include security cameras. The video recordings shall be maintained in a secure, off-site location for a period of fourteen (14) days.
- (D) Unless permitted by the MMMA and Medical Marihuana Facilities Licensing Act or applicable state law, public or common areas of the Provisioning Center must be separated from restricted or non-public areas of the provisioning center by a permanent barrier. Unless permitted by the MMMA and Medical Marihuana Facilities Licensing Act or applicable state law, no Marihuana is permitted to be stored, displayed or transferred in an area accessible to the general public.
- (E) All Marihuana storage areas within Provisioning Centers must be separated from any customer/patient areas by a permanent barrier. Unless permitted by the MMMA and Medical Marihuana Facilities Licensing Act or applicable state law, no Marihuana is permitted to be stored in an area accessible by the general public or registered customers/patients. Marihuana may be displayed in a sales area only if permitted by the MMMA or the Medical Marihuana Facilities Licensing Act.
- (F) Any usable Marihuana remaining on the premises of a Provisioning Center while the Provisioning Center is not in operation shall be secured in a safe permanently affixed to the premises.
- (G) A drive-through window on the premises of a Provisioning Center shall not be permitted.
- (H) The Provisioning Center shall not allow the sale, consumption, or use of alcohol or tobacco products on the premises.
- (I) No Provisioning Center shall be operated in a manner creating noise, dust, vibration, glare, fumes or odors detectable to normal senses beyond the boundaries of the property on which the Provisioning Center is operated.
- (J) The license required by this Chapter shall be prominently displayed on the premises of a Provision Center.
- (K) Disposal of Marihuana shall be accomplished in a manner that prevents its acquisition by any person who may not lawfully possess it and otherwise in non-conformance with state laws.

- (L) All Marihuana delivered to a patient shall be packaged and labeled as provided by state laws.
- (M) All registered patients must present both their Michigan Medical Marihuana patient/caregiver identification card and a government issued photo identification prior to entering restricted/limited areas or non-public areas of the Provisioning Center, and if no restricted/limited area is required, then promptly upon entering the Provisioning Center.
- (N) The premises shall be open at all times to any Michigan Medical Marihuana Licensing Board investigators, agents, auditors, or the State Police, Jackson County Sheriff Department, or any local law enforcement without a warrant and without notice to the holder of the license, to enter the premises, offices, facilities, or other places of business of a licensee, if evidence of compliance or noncompliance with the MMMA and Medical Marihuana Facilities Licensing Act or applicable state laws is likely to be found and consistent with constitutional limitations for the following purposes:
 - 1. To inspect and examine all premises of the Medical Marihuana Facility;
 - 2. To inspect, examine and audit relevant records of the licensee and, if the holder of the license or any of the managerial employees or employees fails to cooperate with an investigation, impound, seize, assume physical control of, or summarily remove from the premises all books, ledgers, documents, writings, photocopies, correspondence, records and videotapes, including electronically stored records, money receptacles, or equipment in which the records are stored;
 - 3. To inspect the person, and inspect or examine personal effects present in a Medical Marihuana Facility, of any holder of state operating license while that person is present in a Medical Marihuana Facility;
 - 4. To investigate alleged violations of the MMMA and Medical Marihuana Facilities Licensing Act or applicable state laws.
- (O) It shall be prohibited to display any signs that are inconsistent with local laws or regulations or state law.
- (P) It shall be prohibited to use advertising material that is misleading, deceptive, or false, or that is designed to appeal to minors.

- (Q) It shall be prohibited to use the symbol or image of a Marihuana leaf in any exterior building signage.
- (R) No licensed Provisioning Center shall place or maintain, or cause to be placed or maintained, an advertisement of Marihuana in any form or through any medium within two thousand six hundred forty (2640) feet of the real property comprising a public or private elementary, vocational or secondary school.
- (S) Certified laboratory testing results that meet the MMMA and Medical Marihuana Facilities Licensing Act or applicable state laws must be available to all Provisioning Center patients/customers upon request.

SECTION 8. MINIMUM OPERATIONAL STANDARDS OF GROWER FACILITY.

The following minimum standards for a Grower Facility shall apply:

- (A) The Grower Facility shall comply at all times and in all circumstances with the Michigan Medical Marihuana Act, the Medical Marihuana Facilities Licensing Act, and the general rules of the Department of Licensing and Regulatory Affairs, as they may be amended from time to time.
- (B) Security surveillance cameras installed to monitor all entrances, the interior, and exterior of the premises as well as robbery, burglary, and fire alarm systems which are professionally monitored and operated 24 hours a day, 7 days a week.
- (C) The premises shall be open for inspection upon probable cause that a violation of this Chapter has occurred during the stated hours of operation and at such other times as anyone is present on the premises.
- (D) Any Grower Facility shall maintain a log book and/or database indicating the number of Marihuana Plants. Each Marihuana Plant will be tagged as required by the MMMA and Medical Marihuana Facilities Licensing Act.
- (E) All Marihuana shall be contained within an Enclosed Locked Facility.
- (F) All necessary building, electrical, plumbing and mechanical permits shall be obtained for any portion of the structure in which electrical wiring, lighting and/or watering devices that support the Grower, growing or harvesting of Marihuana are located.
- (G) That portion of the structure where the storage of any chemicals such as herbicides, pesticides, and fertilizers shall be subject to inspection and approval

by the Pulaski Fire Department to ensure compliance with the Michigan Fire Protection Code.

- (H) The dispensing of Marihuana at the Grower Facility shall be prohibited.
- (I) All persons working in direct contact with Marihuana shall conform to hygienic practices while on duty, including but not limited to:
 - 1. Maintaining adequate personal cleanliness;
 - 2. Washing hands thoroughly in adequate hand washing areas before starting work and at any other time when the hands may have become soiled or contaminated;
 - 3. Refraining from having direct contact with Marihuana if the person has or may have an illness, open lesion, including boils, sores or infected wounds, or any other abnormal source of microbial contamination, until the condition is corrected.
- (J) Litter and waste shall be properly removed and the operating systems for waste disposal are maintained in an adequate manner so that they do not constitute a source of contamination in areas where Marihuana is exposed.
- (K) Floors, walls and ceilings shall be constructed in such a manner that they may be adequately cleaned and kept clean and in good repair.
- (L) There shall be adequate screening or other protection against the entry of pests. Rubbish shall be disposed of so as to minimize the development of odor and minimize the potential for the waste development of odor and minimize the potential for waste becoming an attractant, harborage or breeding places for pests.
- (M) Any buildings, fixtures and other facilities shall be maintained in a sanitary condition.
- (N) Each Grower Facility shall provide its occupants with adequate and readily accessible toilet facilities that are maintained in a sanitary condition and good repair.
- (O) Marihuana that can support the rapid growth of undesirable microorganisms shall be held in a manner that prevents the growth of these microorganisms.

- (P) The Grower Facility shall be free from infestation by insects, rodents, birds, or vermin of any kind.
- (Q) Exterior signage or advertising identifying the facility as a Grower Facility shall be prohibited.
- (R) Odor Control - No person, tenant, occupant, or property owner shall permit the emission of marijuana odor from any source to result in detectable odors that leave the premises upon which they originated and interfere with the reasonable and comfortable use and enjoyment of another's property. Whether or not a marijuana odor emission interferes with the reasonable and comfortable use and enjoyment of a property shall be measured against the objective standards of a reasonable person of normal sensitivity. A grower or processor shall install and maintain in operable condition a system which precludes the emission of marijuana odor from the premises.
 - a. A plan for ventilation of the medical marijuana facility that describes the ventilation systems that will be used to prevent any odor of medical marijuana off the premises of the business. For medical marijuana facilities that grow medical marijuana plants, such plan shall also include all ventilation systems used to control the environment for the plants and describe how such systems operate with the systems preventing any odor leaving the premises. For medical marijuana-infused products, such plan shall also include all ventilation systems used to mitigate noxious gases or other fumes used or created as part of the production process.
 - b. Cultivated, produced, or distributed by a medical marijuana business. A medical marijuana business shall be ventilated so that the odor of marijuana cannot be detected by a person with a normal sense of smell at the exterior of the medical marijuana business or at any adjoining use or property.
 - c. Sufficient measures and means of preventing smoke, odor, debris, dust, fluids and other substances from exiting a marijuana commercial entity must be provided at all times. In the event that any odors, debris, dust, fluids or other substances exit a marijuana commercial entity, the owner of the subject premises and the licensee shall be jointly and severally liable for such conditions and shall be responsible for immediate, full clean-up and correction of such condition. The licensee shall properly dispose of all such materials, items and other substances in a safe, sanitary and secure manner and in accordance with all applicable federal, state and local laws and regulations.

SECTION 9. MINIMUM OPERATIONAL STANDARDS OF SAFETY COMPLIANCE FACILITY.

The following minimum standards for the Safety Compliance Facility shall apply:

- (A) The Safety Compliance Facility shall comply at all times and in all circumstances with the MMMA and Medical Marihuana Facilities Licensing Act or applicable state laws and the general rules of the Department of Licensing and Regulatory Affairs, as they may be amended from time to time.
- (B) Consumption and/or use of Marihuana shall be prohibited at the facility.
